**Mounting:** Key switch is designed to be recess mounted. Face plate and lock cover ensures weather resistant operation.

**Options:** Momentary switch available. For custom switch applications, consult factory.

Key Switch / Heavy Stainless Cover

Fire departments across the country use the Knox® System to prevent costly forced entry damage while protecting property and lives. Knox key boxes, vaults and cabinets hold building entrance keys, electronic access cards and vital emergency information. Knox key switches and padlocks provide fire department access through property gates.

As the property owner, you purchase a KNOX-BOX® device then mount it near your building entrance or property gate according to fire department guidelines. Firefighters use a unique high security Knox® Master Key to open KNOX-BOX devices in their jurisdiction.

## KNOX® PADLOCK

Knox® padlocks secure equipment lockers, restricted utility areas and fire access gates.

### KNOX® ALL WEATHER PADLOCK

**Dimensions:** Model 3753 – 2-1/8" HT, 3/8" diameter opening stainless steel shackle.

**Ten Reasons to Install a KNOX-BOX®**

**KNOX and your local fire department are working hand-in-hand to offer the best in fire protection and the finest in fast and secure emergency access.**

1. Eliminate needless, costly forced entry damage that may not be covered by your insurance deductible.
2. Assure immediate building entry by firefighters without delay or waiting for building keys.
3. Protect inventory, equipment and supplies from unnecessary water damage caused by delayed sprinkler shut-off.
4. Satisfy local fire codes and emergency access ordinances.
5. Save time and aggravation by not having to drive to your building at 2:00 am for a false alarm.
6. Feel secure about emergency coverage when your building is left unattended. The fire department holds the only key to the KNOX-BOX.
7. Maintain building security after a fire alarm investigation by simply re-locking the undamaged door.
8. Protect your property from thousands of dollars in damage with this one-time, low-cost investment.
9. Depend on the highest lock box security available with attack resistant, UL tested reliability.
10. Over the last 30 years, KNOX-BOX has been the chosen solution in more than 10,000 communities nationwide – communities just like yours!
